

Lookout Posts

Setup

For this scenario the  represent lookout posts and should be placed in the 2 locations shown below.

Additional objective

The red cat must be on a square containing a lookout post at the same time the green cat is on the square containing the other lookout post. Once both cats are positioned at lookout posts, they may then leave the lookout posts and travel to the raft.

Additional rules

Pathway cards may overlap squares containing lookout posts. If you place a pathway card over a lookout post, then immediately place the lookout post on the new pathway card. The lookout post must stay in the same position.

Only one cat may be on each lookout post.

Fire tiles cannot overlap any squares containing lookout posts.

Advanced mode

If you wish to play this scenario using the advanced rules then switch raft D with raft G. All other rules remain the same.
